Food Stall at SLBS Food Fare

The MORA-WA team launched their first mission at the Sri Lankan Buddhist Society's (SLBS) food fair held on 06th of November 2016 by taking the entire responsibility of the "Biryani Stall". An enormous support with funds, materials and man power were given by all the members and beyond a doubt that made the Biryani stall an utmost success. MORA-WA earned an income of \$1200 from this food stall and all that funds were donated to the SLBS for the construction of Buddhist Vihara. It was very fascinating to see the dedication, coordination and the collaboration among the team members since the preparation stage up to and on the event date. MORA-WA committee would like to express their sincere gratitude to all the team members and non-members who helped in numerous ways to succeed this event.

Volunteering Program

MORA-WA always look forward to help the community of Western Australia, in whichever the way they can. As such, few members of MORA-WA together with their family and friends, teamed up with Volunteers Australia to remove invasive plants from a land fill rehabilitation facility in South Fremantle on 19th November 2016. Despite the hot and sunny weather, the team was able to remove myriad of the invasive plants from the designated area and made that a habitat for the newly grown plants. MORA-WA would like to thank to all the team members and their friends and families who took part of this event.

New Members Welcome Event

This was another exiting event for the MORA-WA team to welcome the new members to the family. The committee of MORA-WA arranged an evening BBQ at Shelly Foreshore on 10th of December 2016 and invited to all the new members and their families to attend this event. The committee was pleased to meet and acquaint four alumnae and their families during this event. Besides the team did not forget to serve the new comers with delicious food and drinks. Whilst MORA-WA warmly welcome the new members, it also sincerely grateful to the members who supported in numerous ways to host this event.

Upcoming Events

MORA-WA would like to announce the following upcoming events and programs during next couple of months and request the extended support from all the members to make these events a great success.
